15<sup>th</sup> October 2021

Dear Parents,

As we approach the half term break, can I initially thank you for your continued support and in particular your vigilance in ensuring the health and safety of your own children and family while being mindful of others in our whole school community.

#### **PAYPAL**

We are currently having an issue with the Paypal account. Could I ask that you send all money owing to date (exact amount), in a sealed envelope, into school on Monday of next week. and Friday in a sealed envelope.

#### **BUSINESS SPONSORSHIP**

As you are aware, a significant number of reading books have been lost/displaced due to the unexpected lockdowns over the past two years. Due to our depletion of reading books and to ensure all children are continued to be presented with a good range of high quality reading books which tap into their interests, the school is investing in new readers. Local businesses are being asked to sponsor this initiative which will include advertising on an Edendork P.S. P.E. jersey. If you know of any business who would like to help, I would appreciate if they could contact me by Tuesday 19<sup>th</sup> October.

#### **PSG**

Thank you to our wonderful Parents Support Group who have taken the time to decorate the school woodland area in time for Halloween. Their efforts have added to the atmosphere and the children's excitement for Halloween. Photographs will be posted on the school website [www.edendorkps.com](http://www.edendorkps.com) of children engaging in planned activities for next week.

## **Planned Activities for Week Commencing 18<sup>th</sup> October:**

### **Maths Week:**

Children will engage in Fun Maths activities including Outdoor Maths, Mathletics and the use of Thinking Frames for Mathematical learning.
